APPLYING COVID-19 SAFETY PROTOCOLS

Dear All,

Kindly refer to the notices dated 25-08-2021 and 06-09-2021 regarding the COVID-19 vaccination. As you know, the COVID-19 is back with its new variant, Omicron. Day by day, the cases of deadly virus infections are increasing. The only way to keep oneself safe from the deadly virus is vaccination and by following the COVID-19 safety protocols issued by the Govt. time to time.

All are required to get the due dose of the covid-19 vaccine vaccinated, and submit the certificate of it to the concerning authority of the institute.

All are also required to follow the COVID-19 safety protocols on the campus regardless of the vaccination status; this includes wearing masks in all indoor spaces where required.
