FEE NOTICE

Dear Parents/Guardians,

Please refer to the fee notice dated 6-3-2023, which states that all existing and newly admitted students in the 2022-23 academic year must clear their fees by 7-3-2023 and 12-3-2023, respectively. Unfortunately, some students have yet to clear their fees, and as a result, they were unable to take part in their practical exams on March 14th and 15th, 2023. Students who missed their practical exams will have one final opportunity to participate on March 16th, 2023.

However, to be eligible for the practical exams, students must pay their fees by 10:00 AM on 16-3-2023. After this deadline, students who have not paid will be marked absent, and they will be held solely responsible for their absences.

Students can deposit their fees online through the institute's web portal (<https://www.aiet.ac.in/payment>). In the event that they encounter any difficulties in making online payments through the portal, they may opt to pay via RTGS using the following details:
