NOTICE
FOR THE INDUCTION PROGRAM FOR B. TECH. 1ST YEAR

In accordance with the directives of AKTU/AICTE, we have scheduled an Induction Program for our B. Tech. 1st-year students, which will take place from October 3, 2023, to October 21, 2023. Following this program, regular classes will commence. We emphasize the mandatory attendance of all B. Tech. 1st-year students throughout the academic session.

Please note that a comprehensive schedule for the Induction Program will be furnished by the Head of the Department of Applied Sciences and Humanities. Kindly refer to this schedule for further details and ensure your punctual participation.

Your active involvement in the Induction Program will greatly contribute to your successful transition into the B. Tech. program, and we look forward to your enthusiastic participation.
