NOTICE FOR SEMINAR ON ROBOTICS

Dear Students and Faculty,

We are pleased to announce a seminar on Robotics, which will be held on **25th May 2023 at the Seminar Hall, at 11:00 AM in D-Block, Azad Technical Campus.** This seminar aims to provide valuable insights into the exciting world of robotics and its applications in various fields.

Agenda:

- Introduction to Robotics and its Significance
- Latest advancements in Robotics
- Applications of Robotics in industries, healthcare, and more
- Robotics in daily life: Opportunities and challenges
- Live demonstrations of robotic systems
- Interactive Q&A session with industry experts

This seminar is a unique opportunity for students, faculty, and enthusiasts to expand their knowledge about robotics and witness its practical applications. By attending, you will gain valuable insights into the future of technology and its impact on various industries.

We have invited renowned experts in the field of robotics, who will share their expertise and experiences. It is an excellent opportunity to learn from their insights and engage in meaningful discussions.

We look forward to your active participation in this seminar on Robotics. Together, let's explore the fascinating world of robots and their transformative potential.

[Prof. (Dr.) Shafeeq Ahmad]
Director ATC
