NOTICE FOR STUDENTS FEEDBACKS

Dear Students,

Now that the odd semester has come to a close, we would like to invite you to provide feedback regarding your teaching and learning experience. Your feedback is crucial in helping us to continually improve and refine our teaching and learning processes, ensuring that we are meeting your needs and expectations as students.

By providing constructive feedback, you can help us to identify areas where we can make improvements that will benefit both you and future students. We encourage you to take the time to provide your input via a Google form that has been made available for this purpose.

To access the feedback form, please click here

Please note that all students with attendance of 50% or more are required to provide feedback by April 12, 2023, compulsorily. Students in the D.Pharm. 1st year should select 1 semester, while 2nd-year students should select 3 semesters.

We greatly appreciate your dedication to your studies and value your feedback.

Best Wishes.
