ONLINE FEE PAYMENT VIA PAYMENT GATEWAY
FOR NEWLY ADMITTED STUDENTS

Dear Parents and Students,

         As per UGC/AICTE and National Digital Payment Mission of Govt. of India guidelines, the institute has implemented an online system to accept digital modes of payment. All our existing students use this online payment system through the payment gateway. The payment gateway offers payment using popular modes of online payments, i.e., net banking, Debit/Credit card, etc. The payment gateway on our request is not charging any convenience fee. And also, no GST will be charged while making payment through this payment gateway. The payment gateway is safe and convenient to use. All are required to pay the fees through the institute's Payment Gateway.

Steps to pay the fees through the online gateway:
1. Visit the institute website payment gateway https://aiet.ac.in/payment
2. Fill in your Admission No. in place of Roll No., Date of Birth and select your course from the dropdown list.
3. Press the 'Get Details' button. (You will be redirected to the worldline Payment Gateway).
4. Pay your fee from the Payment Gateway.
5. After a successful transaction, you will receive the payment receipt in your email.

Note: Students may collect their Credentials for the Payment Gateway (Admission No. and Date of Birth) from the concerned head of the department.
