NOTICE FOR EMAIL ADDRESS VERIFICATION TO RECEIVE FEE RECEIPTS

Dear Students,

We have noticed that some students are facing difficulties in receiving their fee receipts after making online payments through the institute's fee portal. This issue arises when students either haven't provided their email addresses or have provided incorrect email addresses. In light of this, we advise all affected students to kindly contact the institute's accounts office to provide the correct email address and obtain the receipt for their online payment if it has not been received.

Ensuring that your email address is accurate and up to date will enable us to promptly deliver your fee receipts and keep you informed about important updates. We appreciate your cooperation in resolving this matter.
