

# WOMEN in STEM Summit

Pioneers leading the way across  
Science, Technology, Engineering  
& Mathematics

22 July 2022 | Over Virtual Platform

While India is celebrating 'Azadi ka Amrit Mahotsav' at India@75, it is significant to highlight the women achievers leading the way across Science, Technology, Engineering and Mathematics (STEM).

## Objectives

- Showcasing the **successes of women** luminaries in STEM
- Learning from **inspiring case studies** from women in STEM
- Deliberations on **promoting gender equality** & ensuring diversity at workplaces
- **Policy discussions** & way forward for women in STEM

## Program Highlight:

**Release of the Compendium on Women in STEM: Vanguard of India@75**

## Key Discussion Topics

- Leadership Plenary: Women in STEM
- Ensuring Diversity at Workplaces
- Inspiring Case studies by Pioneering Women in STEM
- Policy Roadmap and Way Forward for Future of Women in STEM
