(Dr. R.K Singh) **Deputy Registrar** 

We are back with the fifth edition of HackWithInfy.

HackWithInfy provides the perfect stepping-stone for B. Tech/M. Tech students to explore their interest in programming and an opportunity to compete and win exciting prizes. The top performers will also earn a chance to work with Infosys.

# This year, HackWithInfy is not just open to the batch of 2023, but we are also inviting participation from 2024 and 2025 batch, to prove their mettle and win exciting cash prizes worth INR 3.5 Lakhs.

HackWithInfy competition offers -

- A chance to compete with top programmers in India
- Cash prizes worth INR 350,000 to the winners
- Pre-placement interview for niche technical roles at Infosys
- Paid internship opportunities
- Chance to become Infosys Campus Ambassador

We are thankful for all the support and collaboration you provided for HackWithInfy 2021 amid the pandemic. The competition witnessed a record breaking registrations from close to **2,00,000** students all over India.

### HackWithInfy 2022 comprises two rounds -

### • Round 1: March 6,7, and 8, 2022

An online individual participation round on the Infosys platform. Students can chose their slots on the portal, post registration. Slots will be assigned on first come, first serve basis.

They can take this assessment in either of the following languages -

Bash, C, C++ (14), C#, Clojure, Go, Java, JavaScript, Perl, PHP, Python, Python3, R, Ruby, Swift, and TypeScript.

### Final round: July 1 – July 4, 2022

In this round, the top 100 participants from Round 1 will be divided into teams for a 48-hour hackathon.

Please visit the <u>HackWithInfy website</u> for more details.

## Registrations for HackWithInfy 2022 are now open to all B.E./B. Tech/M.E./M. Tech students graduating in the years 2023, 2024, and 2025.

### Steps of the registration process:

1. Students need to first become a registered user on <u>InfyTQ</u>, our learning and engagement platform

2. Once registered, go to the 'HackWithInfy' page under the 'Programs' tab OR click on the HackWithInfy banner at the top of their InfyTQ homepage

3. Carefully read the instructions and click on the checkbox to accept the terms and conditions shared on the page and select 'REGISTER NOW'

### The last date to register for HackWithInfy 2022 is Monday, Feb 14, 2022.

We expect all the students to carefully read the <u>Terms and Conditions and the Privacy Notice for</u> <u>HackWithInfy 2022</u> before they register.

Infosys will consider registration on InfyTQ by a student as an acceptance of these terms and conditions.
