Registration Link:- erp.aktu.ac.in(Mandatory)

If you have any concern, you are requested to feel free to write at tnp.aktu@aktu.ac.in

Best Wishes,

(Dr. Arunima Verma)

(Annexure-A)

KPMG in India brings an initiative to nurture cyber security professionals. We are glad to extend this invitation to your esteemed institution and encourage participation in the upcoming Hackathon – **Capture the flag, 2023 (CTF)**.

The event aims to bring the brightest minds and passionate students together and provide them a platform to showcase their problem-solving abilities in various cyber security domains.

About Capture the flag Hackathon :

- This is a virtual event. Registered participants will receive the participation details on their registered email addresses
- Participants must compete as individuals. This is not a team event.
- Each participant will get a login to the platform for the CTF. The platform will be monitored by the administrators for activity and support in case needed
- The challenges will be divided into categories such as **web application, cloud security, infrastructure security, reverse engineering, OSINT (Open-Source Intelligence) and cryptography**
- It is not essential to complete all challenges but students are encouraged to attempt all challenges to enhance their learning experience
- **All participants will receive a certificate of participation based on engagement and challenges attempted.**

Eligibility criteria :

B.Tech (CSE/IT/EE/ECE/EEE/IT/Mechanical) – 2024 Batch
M.Tech (CSE/IT/EE/ECE/EEE/IT/Mechanical) - 2024 batch

- Minimum of 60% throughout X, XII, Graduation (latest semester)

The winners of the hackathon would get the opportunity to work with and learn from the cyber security team at KPMG in India*.

Please refer the below-given link for further information.
