To,

The Principals/ Directors

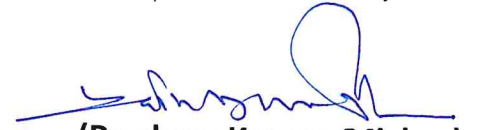

All affiliated institutions of AKTU, Lucknow

Dear All,

As you are aware that the University is on the right path to implement the provisions of New Education Policy, in order to develop human resources having required skills and problem solving ability, so as to increase their employability with higher salary. Therefore, there is also a need for a sustained effort to improve the quality of human resources of the University in all the disciplines and NEP is a great opportunity in this direction. As a step forward, a Core Group in the field of Pharmacy, Bioengineering and Biotechnology is constituted as a think tank and strategy group to advise the University for raising the quality of human resource that would further contribute to the bioeconomy of the State and the Country. In this regard, your support is of utmost importance. Therefore, I request you to kindly provide your pinpointed upto five suggestions on each point of attached TOR (point 1-7 only) of the Core Group to help achieve the said objectives. Your suggestions can be emailed on vc@aktu.ac.in till August 31, 2022.

Looking forward to hearing from you soon.

Yours Sincerely

(Pradeep Kumar Mishra)
Vice Chancellor
