Ref: MoE letter No. M-11018/08/2023-CDN dated 21<sup>th</sup> August 2023.

Dear Sir/ Madam,  
Greetings from All India Council for Technical Education!

As you are aware, India's pursuit of space exploration reaches a remarkable milestone with the impending Chandrayaan-3 Mission, poised to achieve a landing on Moon. This marks a significant step forward for Indian Science, Engineering, Technology, and Industry.

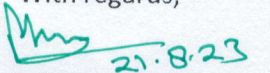

This event will be broadcasted live on August 23, 2023, starting from 17:27 hrs IST. The live coverage will be available via multiple platforms, including the ISRO Website (<https://www.isro.gov.in/>), ISRO's official YouTube channel (ISRO Official'), ISRO's Facebook page (<https://www.facebook.com/ISRO>), and DD National TV channel.

The landing of India's Chandrayaan-3 is a monumental occasion that will not only fuel curiosity but also spark a passion for exploration within the minds of our youth. It will generate a profound sense of pride and unity as we collectively celebrate the prowess of Indian science and technology. It will contribute to fostering an environment of scientific inquiry and Innovation.

The Hon'ble Prime Minister of India will also join the Nation in witnessing this momentous occasion.

Given the foregoing, AICTE cordially urges your institution(s) to consider organizing special Assemblies from 5.30 PM to 6.30 PM with participation of students and faculty and LIVE stream Chandrayaan-3 landing on the Moon to witness this momentous occasion and share this information with all of the faculty, students, staff, and others so that they may witnessing this momentous occasion.

With regards,
