Dear Chief Minister,

09 DEC 2022

As a sequel to the series of events commemorating the Azadi Ka Amrit Mahotsav, and to uphold the spirit of 'Ek Bharat Shrestha Bharat' initiative, it is proposed to celebrate 'Bharatiya Bhasha Utsav' on 11<sup>th</sup> December, the Janma Jayanti of Mahakavi Subramania Bharati in a befitting manner.

India has great history of rich linguistic heritage. National Education Policy 2020 highlights the need for multilingualism and visualises Indian languages as a great tool for national unity. It suggests that the students of the country should be encouraged to learn the importance of Indian languages under the 'Ek Bharat Shrestha Bharat' initiative. Bharatiya languages have co-existed, complemented and nurtured each other throughout the ages. From Kashmir to Kanyakumari, there are hundreds of languages spoken in India and all States in India have natives who speak more than one language. Despite so many languages, we live together in love and peace. Bharatiya Languages, with their inherent similarities and commonalities, are very important elements of this concept of 'Diversity in Unity' and serve to bind us together.

Many of our freedom fighters and legendary leaders were multilingualists and had fascination to interact in another Indian language to reach the common man. You will agree that this spirit of "language harmony" needs to be strengthened among the future generation and for conserving the existing Bharatiya Languages by bringing the people together and by promoting conducive environment for learning more and more Indian languages apart from mastering one's own mother tongue. The objective of celebrating the 'Bharatiya Bhasha Utsav' is to acquaint the students and the youth about the inherent oneness of all Bharatiya Bhashas. 'Bharatiya Bhasha Utsav', to be celebrated on 11<sup>th</sup> December every year, is conceptualized in the form of Utsav where multiple kinds of interesting, thrilling, fun and attractive events will take place throughout the day. We hope to cover atleast 1 lakh HEIs/Colleges/INIs/ schools to volunteer for celebrating the Utsav. I am sure that this would pave the way for sustained growth of endangered Indian Languages.
