## REMINDER FOR COVID-19 VACCINATION

**Dear Students and Parents,**

Kindly refer to the notice dated 25-08-2021 regarding the COVID-19 vaccination. As you know, the physical classes for the VII semester have already started, but some of the students did not submit their vaccination certificates. In order to attend physical classes, all the students are required to be vaccinated against the COVID-19 pandemic and submit their vaccination certificates to their mentors. Students are also required to encourage their parents, siblings, and other family members for the vaccination.

The requirement to report vaccination status is a component of the institute's health and safety practices in response to the global pandemic.

All are also required to follow the COVID-19 safety protocols on the campus regardless of the vaccination status; this includes wearing masks in all indoor spaces where required.
