COVID-19 VACCINATION

Dear All,

As per the instruction of the Additional Chief Secretary of the Honorable Governor of Uttar Pradesh, in the view of COVID-19 all the faculty, staff, and students are hereby informed that they are required to be vaccinated against the COVID-19 pandemic. They are also required to encourage their parents, siblings, and other family members for the vaccination.

Physical classes are going to start very soon. To ensure the safety of all, we need to have all faculty, staff, and students vaccinated before coming to the campus.

The faculty and staff are required to submit their vaccination report to the Asst. Registrar (Establishment) and students are required to submit the report to their Mentor. The requirement to report vaccination status is a component of the institute's health and safety practices in response to the global pandemic.

Also, all are required to follow the COVID-19 safety protocols on the campus regardless of the vaccination status; this includes wearing masks in all indoor spaces where required.
