NOTICE: EFFECTIVE USE OF SMART CLASSROOM

Dear Faculty Members,

In our ongoing commitment to enrich the teaching-learning experience, we are delighted to announce the availability of a Smart Classroom equipped with a projector and computer system. We strongly encourage all faculty members to leverage these resources to enhance the engagement and interactivity of their lectures.

The Smart Classroom designated for this purpose is Room no. E-012. To ensure fair access and optimal utilization, each faculty member is required to conduct at least two lectures per unit of each subject in the Smart Classroom.

To facilitate scheduling, a weekly timetable will be displayed on the door/wall of each Smart Classroom. Faculty members are kindly requested to write their name and the subject they will be teaching on the timetable for their preferred time slot. Alternatively, you may contact Ms. Neetu, the coordinator of the Smart Classroom, to arrange your session.

We firmly believe that the integration of technology into our teaching methodologies will substantially enhance the educational experience for both faculty and students. Your cooperation in this initiative is highly valued.

For any queries or assistance regarding the Smart Classroom, please do not hesitate to contact Ms. Neetu.
